## NOTICE OF PUBLIC INPUT

The Ogden City Council will be considering a request to amend the Zoning Ordinance to allow food testing laboratories as a permitted use in the Mixed Use (MU) Zone. The petitioner is interested in occupying an existing building in the area and would be able to operate under a non-conforming use certificate; however, the petitioner would also like the option to expand the facility in the future, which the MU Zone does not currently allow for a non-conforming use. The Planning Commission reviewed this request at its July 10, 2019 meeting and is recommending Council approval.

**The City Council will receive public input at the City Council meeting to be held Tuesday, August 27, 2019 at 6:00 p.m. in the City Council Chambers, located on the third floor of the Municipal Building at 2549 Washington Boulevard, Ogden Utah.**

You are invited to attend this meeting to express your views regarding this request. If you are unable to attend the meeting, you are welcome to call the Council Office with comments at 801-629-8153, or address written comments to the Ogden City Council, 2549 Washington Boulevard, Suite 320, Ogden, UT 84401 or send comments via email to [citycouncil@ci.ogden.ut.us](mailto:citycouncil@ci.ogden.ut.us).
