**Q & A**

---

1. *Could you provide a product to act as a guideline for the gloves you are requesting? Or provide the material and thickness of the gloves you are looking for?*
  - a. *We currently use microflex apex pro LC1000 Nitrile dual layer gloves.*
2. *Should each product have its own page with pricing information? Therefore it would equal to 6 pages.*
  - a. *No, the cost proposal should fit one page. Essentially, you will itemize the products and provide the corresponding price. The list should be spread out into 6 pages.*
