

Ogden City Corporation
Request for Proposal
COVID Personal Protective Equipment (PPE)

There were thirty-four (34) respondents that submitted proposals for this RFP. Submissions were evaluated according to the following criteria:

- Product Quality
- Product Cost
- Ability to provide requested Product
- Product Delivery Timeframe
- Experience and time in business
- References
- RFP requirement: Copy of business license

Of the proposals received, twenty-three (23) were considered non-responsive due to failure to provide the minimum requirements outlined in the RFP.

General Medical Equipment was selected upon completion of the reference checks.
