

Ogden City Corporation

Request for Proposal

Prosecutor Case Management Software

Q & A

1. *Whether companies from Outside USA can apply for this? (like, from India or Canada)*

There is no policy restricting working with a company outside the US, but all data must remain within the US.

2. *Whether we need to come over there for meetings?*

All meetings can, and most likely will be conducted via Video Conference

3. *Can we perform the tasks (related to RFP) outside USA? (like, from India or Canada)*

All data must remain in the US. Outside of that, there should be no problem with remote work.

4. *Can we submit the proposals via email?*

No, City policy dictates that all proposals must be secured before the deadline. Hence, the only compliant method is via submittal of hard copies of the proposal in a sealed envelope.

With the deadline in mind, you may submit sealed proposals via mail, other delivery service or hand-carried to the 1st Floor information desk (refer to pages 12-13 of the RFP). However, late proposals will not be accepted or and will be deemed as non-responsive.
