Pavement >3 yrs old:	75.00	Pavement >3 yrs old:	75.00
Pavement <3 yrs old:	150.00	Pavement <3 yrs old:	150.00

**Taps to water mains vary in price due to size and materials of both the tap and the water main. For an accurate price on a water main, please contact the Engineering Project Coordinator or Permit Coordinator at Ogden City.*

Typical Water permits can range from \$1,113.98 to \$1,255.28 (excluding utility line charges), depending on the size of meter, and how new the road pavement is.

Typical Sewer permits can range between \$197.25 to \$514.00, (excluding utility line charges), depending on whether a new city-installed tap is needed, and how new the road pavement is.
