

Ogden City Corporation

Invitation to Bid

Demolition Contract – 1775 & 1781 Washington Blvd.

Q & A

1. Is there any plan sheets or specs that will be used for the bidding of this project? The demolition or moving permit requires a site plan the contractor can always draw one up if one is not provided. Has any addendums been sent out so far?

a. The bid packet has an aerial view site plan provided.

2. With temp fencing are you wanting it priced out as if the owner was buying or keep it after the work is done so that I may stay in place until further construction begins?

a. Temp fencing is to remain in place after demo until future construction

3. This can be address during the site walk I have noticed that there is power lines on site will the owner have those relocated before construction?

a. Power has been disconnected from buildings. No other lines will be moved by the city. Plan accordingly.
