Request for Bid**

**Microsoft Azure Services**

**Q & A**

---

1. Is High Availability/disaster recovery being considered or is the scope limited to having specified resources only at Azure Gov Texas location?  
*-For the purposes of this RFB no HA/DR needs to be quoted.*
2. What kind of static IP addresses are required( Basic or Standard)?  
*- Basic w/ARM Deployment type.*
3. Based on the number of hours specified in RFP for Virtual machines, would OC like to see a quote for monthly estimate or yearly estimate?  
*-This RFB is for a 1 year contract, with (2) one year extensions. Please provide quote for that model.*
4. Does OC have an approximate number for monthly outbound data transfer?  
*- No need for additional egress bandwidth consumption at this time.*
