Dear Community Member:

On behalf of the Ogden Police Department, we invite you to participate in Ogden's Night Out Against Crime. It is a free event that is open to public and brings our community together with local law enforcement agencies, resources, organizations and to aide in the fight against crime and strengthen neighborhood spirit.

During this exciting event, we would like to provide as many opportunities as possible for local residents to gather information and services at no cost. Food, beverages, prizes, gear, and great entertainment will be available for free as well.

We are asking for your support through donations for our prize giveaways and/or by providing a booth to distribute information on your organization. Any giveaways you have for those who visit your booth would be greatly appreciated. Each booth will need to supply their own table and chairs. Please provide information at your booth on what your organization does to give back to the community and support community/law enforcement relationships. Interactive activities at your booth are encouraged.
