

Ogden City Corporation

Request for Proposal – Microsoft Enterprise Agreement Renewal

Q & A

1. Are we setting up a new Active Directory or just renewing the existing one?
 - a. Existing.
2. For the Microsoft Product NYH-00001 Audio Conferencing Sub Per Use, how are these being integrated?
 - a. Existing renewal license only.
3. Are the NYH-00001 Audio Conferencing GCC Sub Per User new devices, or are we configuring the current devices? If they are new, are we installing an active directory?
 - a. Existing renewal license only into the existing tenant.
4. Is the end-user GCC certified?
 - a. Yes, we are GCC certified.
5. What is the estimated contract value?
 - a. The contract value is out for bid.
