Next scheduled meeting is tentatively scheduled for Wednesday January 11th, 2022, at 6:00 p.m.

Also note that the next meeting of the OGD Airport Advisory Committee is scheduled for Wednesday January 11th at 6pm.

It is likely that the demolition work on the Terminal Building will have begun by then.

I feel that it is prudent to identify a location for our meetings until the July meeting of 2024.

The newly renovated Terminal Building should be ready for use by then.

I have spoken to Janene Eller-Smith, the Executive Director for the Ogden City Council, and she is fine with the Committee meeting in the City Council workroom on the 3rd Floor of the Ogden City Municipal Building at 2549 Washington Boulevard.

The proposed meeting schedule to be held at the Ogden City Municipal Building is:

Wednesday October 12, 2022 at 6pm –

Wednesday January 11, 2023 at 6pm –

Wednesday April 12, 2023 at 6pm –

Wednesday July 12, 2023 at 6pm –

Wednesday October 11, 2023 at 6pm –

Wednesday January 10, 2024 at 6pm –

Wednesday April 10, 2024 at 6pm –

Just a reminder, the OGD Airport Offices will be vacated from the terminal building between the middle of October and the middle of November. Badging (Sati) and Leases (Angel) will be relocated to the old airport fire station directly north of the terminal building. The Airport Manager's office, the office for the ARFF firefighter / fire & safety inspections, and the Airport Project Coordinator's office will be in the mobile office unit / mobile home that is nearest to the terminal building on the north side. The other trailer along the fence is for the contractor doing the terminal expansion, Stacey Construction.

Thanks for listening and supporting the Ogden Regional Airport.
