

# OGD UPDATES, & OTHER AIRPORT EVENTS

## **OGD AIRPORT SCHEDULED CLOSURE FOR THIS SUNDAY IS CANCELLED**

The recent snow storm makes it unlikely that we can successfully conduct the scheduled drone mapping project. The closure for mapping will be rescheduled for Sunday April 16th, 2023 between Noon and 2:00 PM. During this 2-hour time period, all of the movement area will be closed.

This will not affect those of you that are coming out to the airport to go to their hangars or visit any of the airport businesses. Only the movement area will be closed.

I apologize for any inconvenience that this change may have caused. Please call or email me if you have any immediate concerns.

Thanks for listening and supporting the Ogden Regional Airport.
