REQUEST FOR BID: Environmental Subsurface Site Remediation – 856 25th St
ADDENDUM NO. 1
DATE: April 25, 2023

This addendum is issued to modify the previously issued bid documents and/or given for informational purposes, and is hereby made part of the bid document.

Clarification on technical questions:

1. Should the waste carry a F002 waste code?
 - a. Per AGECE, it is expected that this project will receive a contained out ruling from the state. The bid should be submitted under the expectation that the soil removed will be taken to a conventional landfill. Bid should include an alternate price per cubic yard if a portion of the soil needs to be disposed at an approved environmental containment facility.
2. Due to the contamination at the site will all workers be required to have 40hr HAZWOPPER?
 - a. Per AGECE, It is expected that everyone is Hazmat-trained, at least for the soil excavation work.

Extension of bid deadline:

Ogden City is extending the bid deadline to May 5, 2023. Submit sealed bids no later than 1 PM per instruction previously outlined in the RFB.
