

July 18, 2023

Dear Ogden Regional Airport Aircraft Operator Community,

Effective August 1, 2023, Vector Airport Systems ("Vector") assumed the billing and collection of landing fees on behalf of Ogden Regional Airport ("KOGD"). For all operations up until midnight on July 31, 2023, the Fixed Based Operators (FBOs) at Ogden Regional Airport will bill and continue to collect landing fees.

"Landing fees" is a commonly used term that refers to aircraft operating fees. **"Landing fees" for KOGD are currently charged using the time of arrival.** Please be aware that touch-and-go operations are considered arrivals and thus are billed.

Vector will assess and bill fees in accordance with the Airport's established Landing Fee schedule located at: <https://www.ogdencity.com/1303/Airport-Documents> under Public Notice Documents / Fees, Rates, and Charges. Please note that landing fees are calculated using the landing aircraft's FAA certified Maximum Landing Weight (MLW).

Should you have any questions regarding the billing process, please feel free to contact the OGD Airport Manager, Bryant Garrett, AAE at 801-629-8223 or at Bryantgarrett@ogdencity.com.

Respectively yours,
