- (4) The Company will ensure that all operators, assistants and trainees have sufficient experience and/or training in currently recommended towing techniques and are capable of performing their duties in a lawful, safe, proper, and effective manner.
- (5) The Company will be available 24-hours a day, 7-days a week. When requested by the Agency to tow and/or store a vehicle, the **operator shall respond within the maximum twenty-minute time frame** (except heavy duty), unless otherwise excused by the Coordinator because of inclement weather, unusual traffic conditions, or excessive distance.

- (7) The day and night business phone number shall be answered in the name of the Company.
- (8) In order to aid in communication, the Company shall have a fax machine that will automatically receive any incoming fax that is sent to it.
- (9) The Company shall notify the Coordinator in writing within 10 days of any changes in the information submitted with this Application, i.e., operators’ terminations, retired trucks, phone numbers, etc. If the Company desires to make an addition to the information submitted with this Application, i.e. new operators, new yards, new trucks, etc, after the final approval letter has been issued, the Company

shall submit a new signed page with the additional information to the Coordinator. Any new operators, yards, tow truck operators, trucks, etc., are **not** to be used until the proper paperwork has been filed and approved by the Coordinator. If the Company is found to use any operators, yards, trucks, etc. that have not been approved, this will be cause for suspension of the Company.

- (10) Only a towing company that was called from the tow rotation list may respond to a tow request. If the Company fails to respond when it was called, it shall be placed on the bottom of the towing rotation list.
- (11) The Company will maintain complete and accurate records of all Agency rotation tows and shall provide the Coordinator with such records as requested. Failure to maintain such records may result in suspension of the Company from the rotation.

- (14) If the Company needs to pass a call because it is on a rotation call within Weber/Morgan County, it will not lose the rotation spot. The rotation call will go to the next company in the rotation and the first-called tow company will be up for the next call. This pertains only to rotation calls within Weber/Morgan County. If the Company is on a private call or a non- Weber/Morgan County rotation call, and needs to pass on the call, the Company will lose its spot in the rotation for the Ogden tow rotation.

- (16) UDOT has clarified charging of fees other than those allowed in Utah Code Ann. § 72-9-603 to mean that the imposition of other fees, regardless of the name given to describe them, violates this law. One exception has been granted for a reasonable after hour gate fee as long as a signed waiver is obtained from the owner indicating consent to pay this additional fee. Charging unauthorized fees will result in an immediate suspension of the Company from the rotation.
- (17) The Company shall ensure that tow truck operators provide only those services that are necessary or requested and shall, at the time of the tow, provide the owner or driver (if present at the scene) of the vehicle: the location where the vehicle will be stored, a copy of the current rate schedule, and the terms of the vehicle recovery.

If the cancellation was the result of a change in insurance providers, it is the responsibility of the Company to provide the Coordinator with a Certificate of Insurance from the new insurance provider as soon as possible.
- (22) The Company shall ensure the Coordinator is provided evidence of Workers Compensation Insurance and shall maintain said coverage throughout the rotation year. The Exclusion Waiver Endorsement (a statement that you do not want workers compensation on yourself and that you have no employees) is not acceptable.
