REROOF Questionnaire

The following information shall be provided for Ogden City's review and approval, along with the completed permit application on the reverse, before a permit for re-roofing will be issued.

Is this a TOTAL reroof? Yes / No (circle one)

If you answered "NO," please describe the portion of the building to be re-roofed. (ie: North Side, over porch, all East-facing slopes, etc.) _____

Building Occupancy: Single Family Multi-Family Commercial Other

Type of Existing Roofing Materials: _____

Type of Proposed Roofing Materials: _____

Type of existing roof deck: _____

1. Will existing roofing materials be removed? _____ Yes _____ No

A. If "No," how many layers of roof covering exist? _____

2. Is the additional weight on the roof more than 4 lb. psf? _____ Yes _____ No

3. Was the building constructed prior to 1975 and does it have any of the following:

A. Masonry bearing walls? Yes / No (circle one)

B. Unreinforced masonry parapet walls above the roof line? Yes / No (circle one)

C. Rooftop appendages (ie: chimneys, spires, tanks, signs, statuary, etc) Yes / No (circle one)

If you answered "YES" to question 2, please provide an evaluation report from a professional engineer, licensed in the State of Utah, verifying that the existing framing is adequate to support the weight of the additional roofing materials. (Required by Section 606.2.2.1 of the International Existing Building Code.)

If you answered "YES" to question 3a, please submit an engineered design and structural calculations for the new "wall anchors" and bracing. Please also submit construction plans showing how you plan to tie the roof and the walls together. (Required by Section 3401.7 of the Utah Amended State Construction Code. *Single-family residences are exempt from this requirement.*)

If you answered "YES" to question 3b or 3c, above, please submit an engineered design and structural calculations for the parapet walls or appendage bracing. (Required by Section 3401.7 of the Utah Amended State Construction Code. *Single-family residences are exempt from this requirement.*)

I certify, under penalty of perjury, that all information on this questionnaire is true and correct.
