Residential Remodel Building Permit Checklist

2 Sets of floor plans showing “before” and “after.” Show location of any new electrical, plumbing and/or mechanical work

2 sets of framing details

2 sets of wall details (if adding or removing walls)

If your remodel project exceeds 3000 square feet, building plans must be stamped and signed by a Utah-licensed engineer.

Plan review : Small remodeling projects can sometimes be reviewed “over-the-counter,” but larger projects will need to be submitted into the plan review process.

*****IMPORTANT***** *By initialing below, applicant agrees to pay for all plan review charges incurred, whether or not a building permit is issued.*
